

Accessibility and Design Resources

Instructors must ensure course materials (including course documents such as PDF and MS Word documents) are accessible to all learners. To check materials for accessibility, instructors can utilize resources and tools including those posted below.

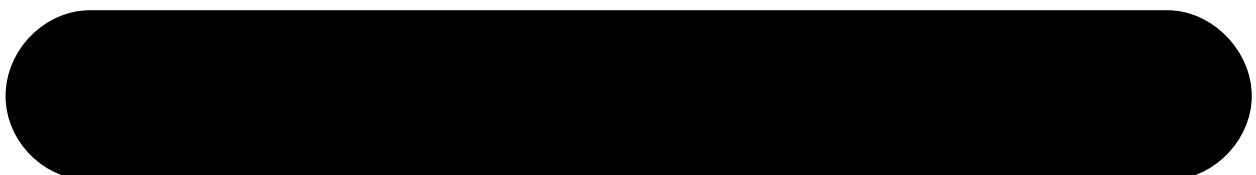

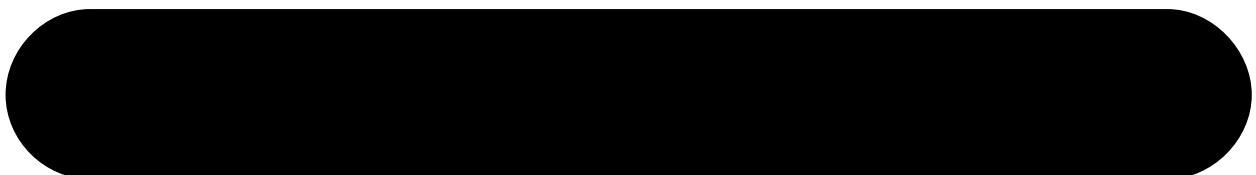

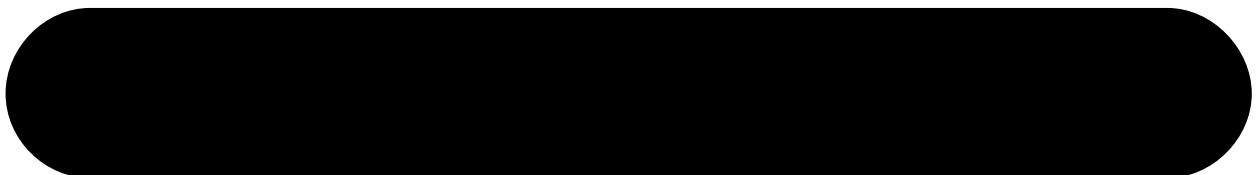

PDF Accessibility | Foxit

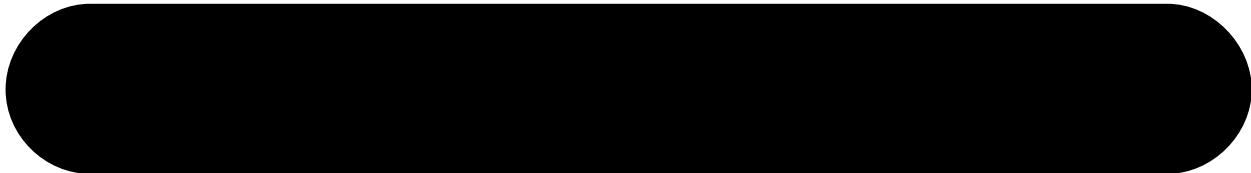

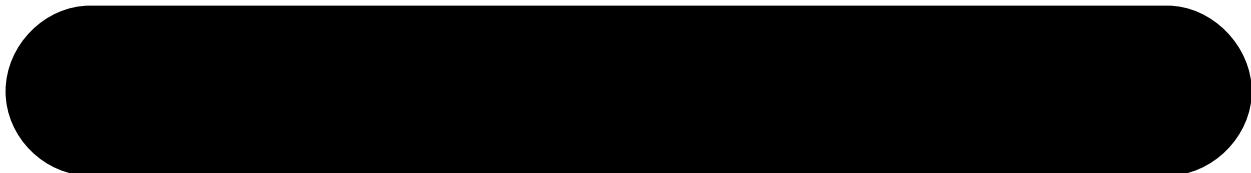

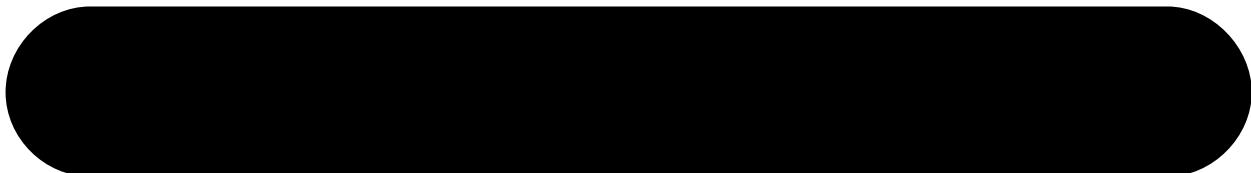

Understand what accessibility brings to your documents. Learn how to make your documents consumable by all.

www.foxit.com

PDF Accessibility Checker (PAC) 2021 - PDF/UA Foundation

pdfua.foundation

Make your Word documents accessible to people with disabilities – Microsoft Support
Learn how to create documents that are accessible to people with disabilities or people who use assistive technologies.

support.microsoft.com

WCAG Audits, ADA Accessibility Audits & Section 508 Audits

Our mission is to make the Internet accessible for everyone. Our team of professionals can help you on your journey towards internet compliance.
